

Can you save enough for retirement?

Look after the pennies and the pounds will look after themselves, as the old saying goes. Saving now means funds have a better chance of adding up over time, all the way to a happy and secure retirement. However, the ING International Survey Savings 2019 of nearly 15,000 people in 15 countries confirms that many people struggle to save today.

51%
run out of money before payday

66%
with no savings don't earn enough

66% of Europeans whose household has no savings say they simply don't earn enough to save. 73% say this in Belgium.
